---

## General (16 items)

---

All of the readings for this module can be found within the individual activity sections. Each activity includes a list of key readings. Further readings are also suggested if you wish to read in more depth or to explore a wider range of views. These further readings are available in the IOE library or can be obtained from other libraries, but due to resource restrictions we are not able to make all of them available online.

In addition to the readings for specific activities, you may also find the following readings useful for a general overview of debates and discussions related to education, development and globalisation:
